

Medical College of Wisconsin (MCW) Parking Information – February 2020

MCW Staff and Visitor Parking has merged into one lot on the east side of 87th Street. Parking lot access points are located at two locations: on the north side of the lot at Watertown Plank Road and on the south side of the lot at Connell Avenue (Indicated by the pink letters on the map). Each access point will have an intercom system for visitor use. Visitors may park anywhere in the parking lot, but MCW recommends the parking structure as the most expedient method to find a parking spot midday.

Please note that the Watertown Plank Road access point does not have a westbound entrance or exit option. Visitors coming to campus from the east via Watertown Plank Road must turn left on 87th Street, drive past MCW and turn left at Connell Avenue to enter the parking lot from the south. Visitors needing to travel west on Watertown Plank Road from campus must exit the parking lots at the main exit on 87th Street or to the south on Connell Avenue.

Comfortable shoes are highly recommended. Once you park, please enter the main entrance to the Medical College or the entrance to the Hub for Collaborative Medicine (A or G on the map). There is a receptionist in the Medical College that can help you find the conference room and allows you to walk in doors to the room. The elevator to the conference room is after you enter the Hub for Collaborative Medicine building.
